

### Coomandook Run

Coomandook Hunt Ballard Property Coomandook, Coming from Taillem Bend go thru Coomandook & turn left ...at the school (Parkin Hall Rd) follow this taking the first left "Ballard Rd" continue to follow this rd. It will veer to the right then go down thru some trees and between the sheds follow it around to the left. Continue straight along the Rd passing the cattle yards on your left. When you see a jump on the fence line at this point it is better to take the track to the right of the road. Once the two tracks merge again there's a bend in the track once it straightens out again you should see a water trough on the right go thru the gate next to the trough and follow the track thru the trees over the hill to the camp site.
