

Giles Flat Training Run

The Training Day is an excellent opportunity to complete the schooling of your horse prior to the commencement of the 2009 Season. Riders will be given the opportunity to jump the type of fences, which will be encountered in a typical day's Hunt, and to meet the Master and other Club members. Riders contemplating their first season of Hunting are encouraged to participate on this day and the Preliminary Hunt.

Proceed to Ashbourne and turn into the southern fork of the Strathalbyn Road at the Ashbourne Uniting church. The run begins behind the Ashbourne cricket field.
